DENTAL HISTORY				
Yes	No	dk/u	dk/u = don't know/unknown	
			Tooth grinding or clenching?	
			Clicking, locking or grinding noises in jaw joints?	
			Soreness in jaw muscles or face muscles?	
			Been diagnosed or treated for TMJ or TMD problems?	
			Difficulty when chewing, jaw opening or TMJ issues?	
			Pain, tenderness, or noise in either jaw joint?	
			Neck/shoulder pain?	
			Ever been diagnosed with gum disease?	
			Ever had gum treatment or surgery?	
			Jaw fractures, cysts, or infections?	
			Chipped, injured primary (baby) or permanent teeth?	
			Prior trauma or injury to the teeth, face, or neck?	
			Has the patient been seen by their dentist recently? When?	
			What was done? When scheduled to return?	
			How often does the patient see the dentist?	
If an	If any of the above medical questions were answered 'Yes', please explain:			

Yes	No	dk/u	AIRWAY/MYOFUNCTIONAL dk/u = don't know/unknown		
			Difficulty breathing through nose? (stuffy nose)		
			Mouth breathing during day?		
			Mouth breathing while sleeping?		
			Have a dry mouth on waking up in the morning?		
			Drools while sleeping?		
			Snores? occasional often routine seasonal when sick snores loudly		
			Heavy or loud breathing while sleeping?		
			Difficulty falling asleep or staying asleep?		
			Is sleep unrefreshing or are bedsheets a mess?		
			Frequently tired during the day?		
			Ever had a sleep study? When?		
			Ever been diagnosed with sleep apnea?		
			Ever had myofunctional therapy?		
			Oral habits, thumb, fingers, pencils, pens, other?		
			Abnormal swallowing (tongue thrust)?		
	History of speech problems or speech therapy? currently previously age:

I understand that the information that I have given is correct to the best of my knowledge, and it is my responsibility to inform the office of any changes in the health status of the patient. I will not hold my orthodontist or any member of his staff responsible for any errors or omissions that I have made in the completion of this form.

Authorization is hereby granted for the orthodontic consultation and any necessary dental services that the patient may have during diagnosis and treatment with my informed consent. I grant permission to take photos of the patient to post within the office or website in conjunction with any contest that the patient may participate in while being present in the office. I authorize release of any information regarding the orthodontic treatment to my dental and/or medical insurance company.
